

Product: Resco Kindycube	Product Code: K-Cube
Approved Publication Date: October 2010	

Kindycube cubicle system

Perfect for age group. Kindycube is designed to resist the rough and tumble of pre school kids. Well thought out dimensions allow for a child's privacy under adult supervision. All Resco systems only use Compact Laminate, ensuring your cubicles are built to last in these wet and often high use areas.

Recommended for

Schools
Kindergartens
Early Education Centres
Playcentres
Daycare Centres

Features

Specific qualities of the Kindycube

- Designed for the rumble and tumble of preschool kids
- All doors and partitions finished with a smooth half round edge
- Wide range of colours and finishes
- Easy to clean and low maintenance
- Simple Clean looking design without old-style clashing strips
- 13 mm prefinished Compact Laminate panels
- Nylon hinges for self closing doors
- Height adjustable nylon pedestals
- Matching fixing brackets and toilet roll holders
- Allow for child's privacy under adult supervision
- Modular kitset – easy to install

Standard materials and manufacture

- 13 mm Compact Laminate panels
- Grey nylon coated self close hinges
- Grey nylon coated height adjustable pedestals
- Matching grey nylon fixing brackets and toilet roll holders

Edge treatment

- No edging is required as Compact Laminate is a finished product, a simple furniture oil enhances the black edge

Options

- Modesty screens to match your colours
- Different configurations are available, including return-cubicles

Colours

Panel Colours

The Kindycube is available in the Maica Compact Laminate stock colour range and the Laminex Compact Laminate range.

The Maica Accent colour range is also available on a 12-week lead time.

See the Web site or call for samples.

See over page for typical system layout and sizing.

KindyCube
Child friendly cubicle systems

Fittings

Nylon coated pedestals, hinges, brackets and toilet roll holders.

Dimensions

As cubicles are tailored to your measurements, depths and widths can be varied to suit most requirements.

The Kindycube standard dimensions are:

- Height 1050 mm with 150 mm clearance
- Depth 1200-1600 mm
Standard cubicle doors 525 mm (opening 450-500 mm)

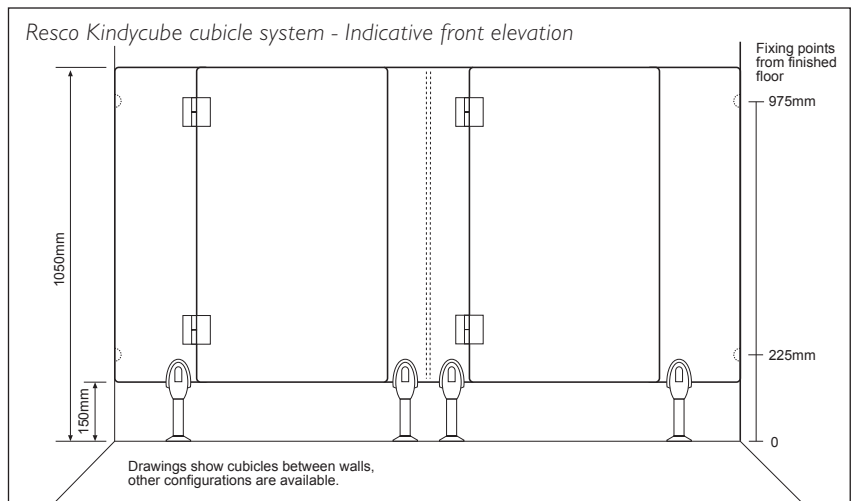

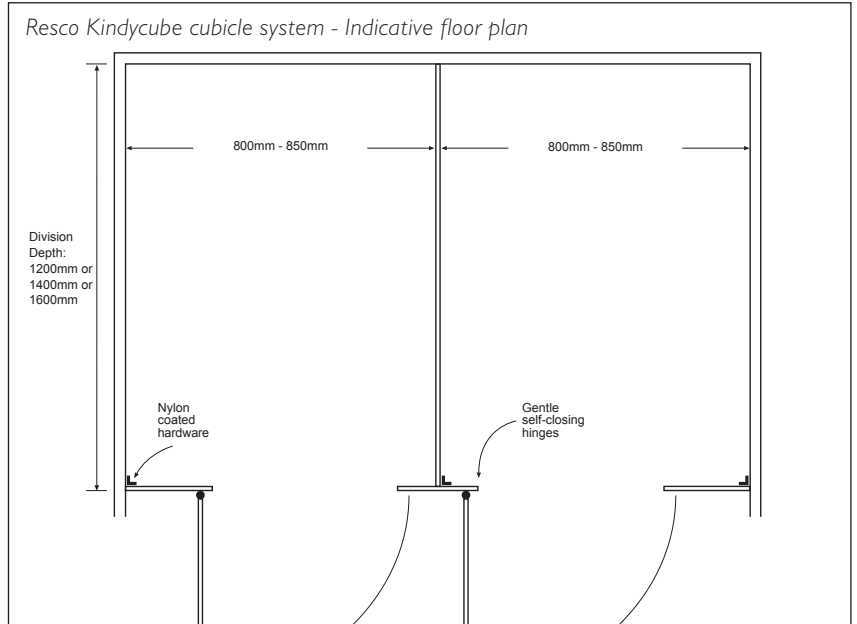

Durability and maintenance

- Compact Laminate panels means an extended product life
- Being a tough durable product it is perfect for high traffic locations and because it is impervious to water it is ideal in wet areas
- Easily cleaned with mild detergent
- 10-year guarantee on panel integrity and 2-years on hardware

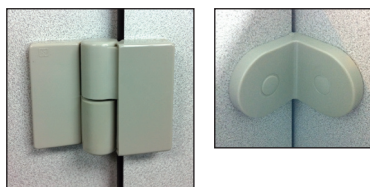

Installing Kindycube

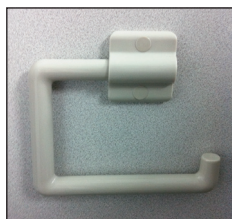

Kindycube is supplied as a modular kitset delivered to site, which includes installation manuals and hardware.

Height adjustable pedestals

Nylon coated hinges and corner brackets

Matching toilet roll holders
