

Product: Resco Multilab	Product Code: M-Lab
Approved Publication Date: October 2010	

Multilab[®] laboratory bench

Using a specialised compact laminate, Multilab[®] is the perfect solution for laboratory benches. Its special laboratory finish is resistant to water, most chemicals, stains, impact and heat (up to 180c), making it ideal for laboratory use.

Recommended for

- Schools
- Universities
- Health facilities
- Hospitals
- Commercial buildings
- Research laboratories
- Biological laboratories
- Clinical laboratories

Features

Specific qualities of Multilab[®]

- Chemical resistant
- Impact resistant
- Scratch resistant
- Heat resistant
- Hygienic, water resistant, easy to clean surface

Standard materials and manufacture

- 16 mm Compact Laminate panels
- Customised to your dimensions

Edge treatment

- No edging is required as Compact Laminate is a finished product, a simple furniture oil enhances the black edge

Colours

Bench Colours

Multilab[®] is only available in Grey - Maica Compact Laminate.

Dimensions

As Lab benches are tailored to your measurements, depths and widths can be varied to suit most requirements.

Sheet dimensions are:

1520 mm x 3650 mm x 16 mm

Durability and maintenance

- 10 year guarantee

Note: Resco recommends testing sample bench material to your individual requirements.

Installing Multilab[®]

Multilab[®] is supplied as a modular kitset delivered to site, which includes installation manuals and hardware.
