Approved Publication Date: October 2010	

Vanities and Screens

Resco vanities are perfect for public and commercial ablution areas. Vanities are made to last using Compact Laminate so they are perfect in these wet, and often high use and abuse areas.

Resco's Vanities are a cost effective, easy to install, custom made unit. Dirt traps have been minimised meaning easy cleaning.

Recommended for

- Public areas
- Schools
- Sport & Recreational areas
- Community Clubs
- Camping & Caravan sites
- Shopping centres
- Offices
- Hotel complexes

Features

Specific qualities of Resco's Vanities and Screens

- Wide range of colours and finishes
- Strong and durable – 'built-for-purpose'
- Easy to clean and low maintenance
- Cost effective design
- 13 mm prefinished Compact Laminate panels

Screens

- Privacy and modesty screens to match your colours

Vanities

- Customised to suit your space
- Suitable for high and low water pressure systems

Edge treatment

- No edging is required as Compact Laminate is a finished product, a simple furniture oil enhances the black edge
