

### **RESCO SERIES 7000 TOILET PARTITIONS**

#### **SPECIFICATIONS:**

- 13mm pre-finished compact laminate panels.
- Prominent 120 mm wide oval head rail, supported by rebated 75 mm tubular aluminium stiles either side of the doors.
- Aluminium hinges with nylon bushes and s/s pin, finished in silver anodising (Cambrian 75 mm face-fixed).
- Die-cast indicator bolt, finished in brushed silver satin (DV EXCELL 12SCP).
- Die-cast coat hook/door stop, finished in chrome plate (DC 12841 CP).

#### **FEATURES:**

- Water resistant panels provide extended life for both toilets and shower partitions.
- The combination of pre-finished compact laminate panels and powder coated tubular aluminium extrusions looks stunning.
- Wool-pile lined door stiles soften the closing of doors.
- Allows panelling up to ceiling height - for unisex situations.

#### **BENEFITS:**

- Extended product life.
- Lower maintenance cost.
- Panels will not lose their integrity, even after wilful damage.
- Ten year guarantee on panel integrity and two year guarantee on hardware.

## **PANEL OPTIONS**

### **SERIES 7000-M** (Standard colour range)

#### **Features:**

1. Latest compact laminate technology.
2. Large sheet size, eliminating jointers in division panels up to 1875mm long.
3. Black core creates sharper contrast with decor.
4. Smooth texture for ease of cleaning.
5. Four colours ex stock for immediate delivery and a large selection of colours on indent (10 week lead-time).
6. Huge price advantage over most other panel brands.
7. Allows for doors and fixed panels to be of different colours at no extra cost (conditions may apply).

Non standard indent colours are available - prices and lead times available on request. This includes Series 7000-F with the Formica range of colours.

## **ALUMINIUM OPTIONS**

- Powder coated options can be selected from the standard DULUX powder coat colour range at [www.dulux.com.au](http://www.dulux.com.au)
- Quoted prices are based on category 1 & 2 colours
- Other categories, premium P/C colours and silver anodising (prices on request).
